 Other _____

The project will address noted crash patterns and improve safety by adding raised center medians on West Main Street at South Weston Street and the driveway to the McDonald's restaurant. Do you have specific concerns regarding the proposed access management at this location?

The project will include minor modifications to the existing traffic signal at the intersection of West Main Street and Dorset Road. Do you have any concerns with the existing traffic signal operations at this intersection that should be considered as part of this project?

Individuals who may require interpretation or translation services or a reasonable accommodation to access the materials and provide feedback should contact Jill Rhoades no later than April 2, 2021. Public participation is solicited without regard to race, color, sex, age, national origin, or disability.

Section 106 Consulting Party Request: The project will be evaluated to determine if it will affect historic properties, as required under Section 106 of the National Historic Preservation Act of 1966. If you are concerned regarding the project’s effect on historic properties and would like to participate as a Section 106 consulting party, please check the appropriate box below. Consulting parties work together to discuss options, provide multiple viewpoints, and strive to seek common agreement on the incorporation of historic preservation values into the project. (For additional information, contact Tricia Bishop at 937-497-6721.)
